INTRODUCTION

VISION

We believe that every individual, regardless of their background, deserves access to a dignified life with basic amenities—especially in the vital areas of health & education. Our vision is to bridge this gap for communities in remote and underserved regions.

MISSION

Our organization is dedicated to the welfare of the ailing and the rehabilitation of people with disabilities, enabling them to lead normal, fulfilling lives. We aim to educate and empower the younger generation in the health sector to deliver quality care, build meaningful careers as healthcare professionals, and serve the needy—especially those from marginalized sections of society—with compassion and excellence.

GOAL

We strive to achieve excellence in healthcare and education, with a special focus on the underprivileged. Our goal is to bring the latest global advancements in medical technology and education to Moradabad and its surrounding areas, by nurturing experts in the fields of medical, nursing, and paramedical sciences.

OBJECTIVES

- To establish a centre of excellence in medical and nursing care, providing free or affordable healthcare services for disease prevention and treatment, using modern scientific methods—primarily for the poor and underprivileged, irrespective of caste, creed, gender, or place of residence.
- To offer basic health facilities in areas such as maternity and childcare, family welfare, nutrition, and related services, especially to the deprived rural population.
- To set up a teaching institution for health and physical education, conducting research with an emphasis on industrial health hazards, particularly those associated with the brass and allied industries, and identifying preventive and curative solutions.
- To establish a medical library with updated books and journals, providing the latest information in medicine and surgery for the benefit of research scholars and practicing doctors.
- To award scholarships to deserving candidates from weaker sections of society to support their education and advanced research in the fields of medicine and surgery.
- To deliver round-the-clock healthcare, including emergency services, to patients from all backgrounds, with special provisions for the poor through subsidized treatment.
- To establish a training and rehabilitation center for children with disabilities, focused on nurturing their physical, mental, and social development for an independent life.
- To develop collaborations with national and international institutions and organizations in the field of medical education and healthcare delivery.

- To contribute actively to national health programs and public welfare initiatives
- To attain high standards and rankings in healthcare services and education, ensuring quality, consistency, and continual improvement.
- To support placement opportunities for successful candidates at both national and international levels, ensuring meaningful careers and global exposure.
- To design innovative learning and teaching strategies that respond to the health needs of individuals, families, and communities.
- To undertake and support any cause that aligns with or enhances the above objectives, in accordance with the law and for the benefit of the general public.
- To facilitate the rapid growth of professional educational institutions in the future, ensuring wider access and higher quality across disciplines.

FOUNDATION

To transform the shared vision, mission, goals, and objectives into reality, a group of like-minded and eminent individuals from diverse walks of life—united by a philanthropic spirit—came together to establish a trust. Thus, the Moradabad Charitable Trust and Health Research Centre (Regd.) was founded in Moradabad by the following distinguished personalities:

- | | |
|------------------------|-----------------------|
| 1. Shri R.P. Khosla | 5. Shri L.R. Talwar |
| 2. Shri Harbans Lal | 6. Shri O.P. Vadera |
| 3. Shri V.P. Saluja | 7. Dr. Harnam Singh |
| 4. Shri Ashok Malhotra | 8. Dr. D.P. Manchanda |

A significant milestone was achieved on 4th July 1989, when the hospital was inaugurated with both OPD and IPD services, offering care in General Medicine, General Surgery, Gynecology and Obstetrics, Orthopedics, Pediatrics, ENT, and Ophthalmology.

Inspired by the dedication of the founding trustees, many more individuals joined the cause, contributing to the growth and development of the hospital. Over time, it expanded into a super-specialty medical facility, offering advanced services in:

General Medicine	Gastroenterology
General Surgery	Pathology
Gynecology and Obstetrics	Transfusion Medicine (Blood Bank with component separation)
Orthopedics	Radiology
Pediatrics	Physiotherapy
ENT	Nephrology and Urology
Ophthalmology	Cardiothoracic Surgery
Neurosurgery	Interventional Cardiology

The hospital also envisions the establishment of a Kidney Transplant Centre and a Cancer Institute in the near future.

While medical education was progressing in the state, the field of nursing and paramedical education remained underdeveloped in Uttar Pradesh. Recognizing this gap, the trustees took a visionary step forward and established the Vivekanand School of Nursing in 2002, affiliated with the U.P. State Medical Faculty. This initiative was followed by the establishment of the Institute of Paramedical Sciences in 2004.

Furthering the commitment to high-quality nursing education, the Trust obtained necessary approvals from the Government of Uttar Pradesh, U.P. State Medical Faculty (Lucknow), and the Indian Nursing Council (New Delhi). This led to the founding of the Vivekanand College of Nursing in 2009, affiliated with A.B.V.M University, Lucknow.

In May 2016, Shri Vinod Khanna took over as Secretary of the Moradabad Charitable Trust and Health Research Centre. Under his strong and visionary leadership, supported by all trustees, both the hospital and college experienced a remarkable phase of growth and transformation.

Following his unfortunate demise on 17th February 2021, Shri Neeraj Vinod Khanna assumed the role of Secretary. Under his dynamic leadership, the hospital and educational institutions continue to flourish, becoming one of the best-equipped and most respected facilities in the region, with ongoing expansion and development in healthcare and education.

ADMISSION & SELECTION PROCESS

Eligibility

S.No.	Course Name	Duration	Age	Qualification
1.	M.Sc. Nursing	2 Years	17 Years to 35 Years	B.Sc. Nursing OR Post Basic B.Sc. Nursing with one year working experience

RAGGING IS PROHIBITED

“Ragging is neither a means of formalization nor an introduction with freshers, but a form of psychopathic behavior. Ragging is a violation of human rights. Respect humanitarian values and say **No to Ragging.**”

Ragging is Punishable as per the decision of Hon'ble Supreme Court of India in Writ Petition No. (C) 656/1998.

Depending upon the nature and gravity of the offence as established the possible punishments for those found guilty of ragging at the institution level shall be any one or any combination of the following:-

- (i) Cancellation of admission.
- (ii) Suspension from attending classes.
- (iii) Withholding/withdrawing scholarship/fellowship and other benefits.
- (iv) Debarring from appearing in any test/examination or other evaluation process.
- (v) Withholding results.
- (vi) Debarring from representing the institution in any regional, national or international meet, tournament, youth festival etc.
- (vii) Suspension/expulsion from the hostel.
- (viii) Rustication from the institution.
- (ix) Expulsion from the institution and consequent debarring from admission to any other institution.
- (x) Collective punishment: when the persons committing or abetting the crime of ragging are not identified, the institution shall resort to collective punishment as a deterrent to ensure community

IMPORTANT NOTES

The Rules incorporated in this prospectus are subject to the over-riding effect of the relevant Rules and Regulations of the Institution and Directives issued by the Government/Council from time to time. In case of any inconsistency between what is written in this prospectus and that in the directives of Government etc., the later shall prevail and shall be binding on either side.

The institution reserves the right without any prejudice to change or delete any information, fee structure etc. without any prior notice.

Any dispute that may arise will be subject to the jurisdiction of Moradabad District Courts only.

RAGGING IS STRICTLY BANNED

"Ragging is a reprehensible act which does no good to any one and no act of ragging shall be tolerated and any act of ragging shall not go unnoticed and unpunished" (as stated by the Hon'ble Supreme Court of India)
